4. Trace order

- To trace your order, Click Profile and then click trace.

The screenshot shows the Kofi's Sugar Heist homepage. At the top, there is a navigation bar with links for Home, About Us, Contact, Shop, Cart (1), Profile, and Logout. A search bar is also present. Below the navigation bar, the page title "KOFI'S SUGAR HEIST HOMEMADE CAKES AND PASTRIES" is displayed. On the left, there is a sidebar titled "USER SETTINGS" with options for Profile, Trace (which is highlighted with a red arrow), and Purchase History. On the right, there is a section titled "UPDATE PROFILE" containing fields for First Name (Mahmud), Last Name (Ismael), Contact Number (09060390291), Complete Address (Brgy. San Jose Cawa Cawa Navarro Street Zamboanga City), and Email Address (moodyismael12@gmail.com). A green "Update" button is at the bottom right of this section. Copyright information "Copyright © 2022 CreApp. All rights reserved." and a design credit "Designed by BSIT 3A" are at the bottom of the page.

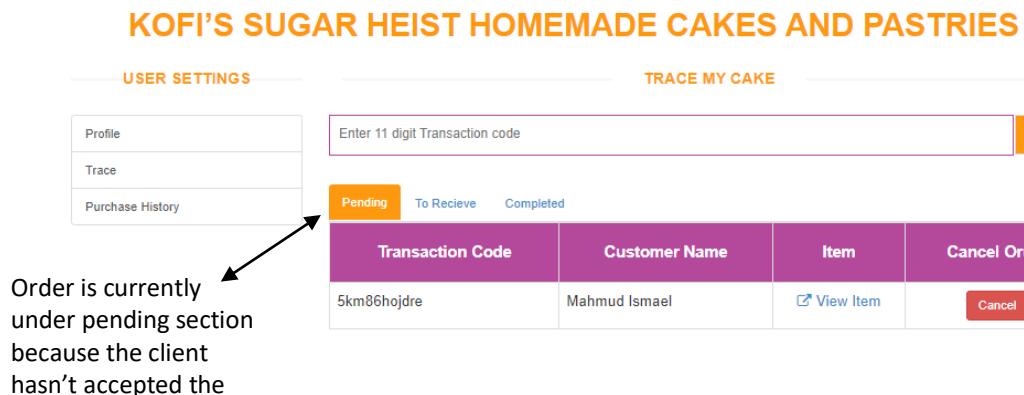

- Enter your transaction code to the search bar to trace your order and click search.

The screenshot shows the Kofi's Sugar Heist homepage again. The navigation bar and sidebar are identical to the previous screenshot. The main content area now features a search bar with the transaction code "5km86hojdr" entered. Below the search bar, there is a table with four columns: Transaction Code, Customer Name, Item, and Cancel Order. The first row of the table shows the transaction code "5km86hojdr", the customer name "Mahmud Ismael", and a "View Item" link. The status for this row is "Pending". There are also tabs for "To Receive" and "Completed". Copyright information and a design credit are at the bottom.

Designed by BSIT 3A

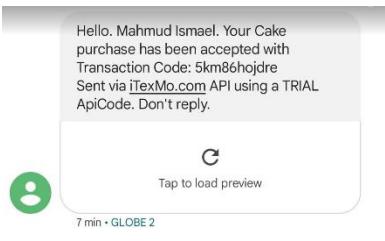

The screenshot shows the Kofi's Sugar Heist homepage again. The navigation bar and sidebar are identical. The main content area features a search bar with the placeholder "Enter 11 digit Transaction code" and a "Search" button. Below the search bar is the same table as the previous screenshot. The first row now shows the transaction code "5km86hojdr", the customer name "Mahmud Ismael", and a "View Item" link. The status for this row is "Pending". There are also tabs for "To Receive" and "Completed". An annotation with a red arrow points from the text "Order is currently under pending section because the client hasn't accepted the" to the "Pending" status in the table. Copyright information and a design credit are at the bottom.

Order is currently under pending section because the client hasn't accepted the

6. Add, Edit, and Remove product.

- Click Product next click add product

The screenshot shows the application's main interface with a sidebar labeled 'SETTINGS' containing links for Products (4), Orders (2), Category (5), Products summary, and Feedback. A central area displays a table of products with columns for ID, IMAGE, PRODUCT, DESCRIPTION, PRICE, CATEGORY, and ACTION. An 'ADD PRODUCT' button is visible. On the right, a modal window titled 'ADD PRODUCT' is open, prompting for Product Name, Description, Price, Category (set to 'occasional Cakes'), Room Image (with a 'Choose File' button), and a 'SUBMIT' button.

- Click on add product and input the following information.

The screenshot shows the 'ADD PRODUCT' modal. A callout points to the 'Category' dropdown, which is currently set to 'occasional Cakes'. Another callout points to the 'Room Image' field, which has a 'Choose File' button and a placeholder 'No file chosen'. A third callout points to the 'SUBMIT' button at the bottom of the form. To the right, a file selection dialog from 'Windows File Explorer' is shown, displaying a list of image files (e.g., 'Scanned (1).png', 'Scanned (2).png', etc.) in a grid view.
